ETETCO

Business Profile

Middle East Star Trading Development Company, operating under the trade name ETETCO, is a private company with registration number 585536 and commercial number 14010453225. Managed by Mohammadreza Hosseini, leveraging extensive experience and a deep understanding of the Iranian market, as well as direct connections with over 30 active and major petrochemical, refinery, and manufacturing companies, it has commenced its activities as a supplier of industrial parts and equipment to them. Through excellent access and financial transactions with these companies, ETETCO has been able to establish a strong and active presence in the field of international supply

of Chemical, petrochemical and polymer raw materials. We, at ETETCO, will stand by your side as your representative and a reliable business partner, utilizing our capabilities to assist you in meeting your commercial needs and ensuring a smooth and secure purchasing experience with maximum satisfaction, so that you can receive your orders with peace of mind at your desired destination.

In this regard, a portion of the capabilities and services that we can provide are as follows:

- **Supply of raw materials in the chemical, petrochemical, polymer, and various urea fertilizers sectors.**
- **Production and supply of high-quality Caustic soda micro flake 99% with a capacity of 14,000 tons per year.**
- **Possibility of providing various payment term and delivery terms, including CFR, CIF, CPT, and DDP.**
- **Sourcing**
- **Quality control**
- **Conducting and following up on domestic and international transportation processes**
- **Issuing Cargo shipping insurance**
- **Obtaining needed export licenses**
- **During production inspection, pre shipment inspection, loading inspection**
- **Export counseling**

You can obtain the list of materials available for supply by ETETCO from the company's website or by requesting it from the sales Experts.
